Arbender (A.J.) Robinson

Allow me to introduce myself. My name is Arbender (A.J.) Robinson and I am currently performing in the **Broadway Production of *The Little Mermaid*** after a run with the **Tony Award Winning Broadway Production of *Hairspray***. This is now allowing me to focus my energy to teams in the NY, NJ, and CT areas. My performing career has allowed me to work all over the world on a number of national tours as well as being a featured vocalist with Royal Caribbean Cruises and at the Walt Disney Resort in Orlando. I have over 15 years of experience both on and off the mat as a cheerleader, a coach, a judge, and a choreographer. I have worked with a number of teams that have created successful Cheerleading Legacies all over the world. Also, I have worked as a staff member for **UCA, NCA, UDA, UPA, IHSA and Cheer Elite**. A five time Individual Cheer National Champion, a three time Team National Champion as well as a coach, mentor, clinician, and choreographer to over 30 Regional, State, and National Champion Teams. Let's add your squad to this list!
